Creative Wear Ltd Newsletter February 2012

Welcome to the first newsletter of 2012. It is our intention to send a Newsletter to all of our database customers once a month. We have had a stunning start to 2012, which is due to the fantastic ranges and prices in our new 2012 Directory.

We are introducing a 'garment of the month' to help guide you to the garments that are in demand at Creative Wear. Even though it is very difficult for us to recommend particular garments, we will base the garments of the month on customers' orders and we recommend ranges that are selling well, to ensure you don't miss out!

To help you decide what to order, we are offering the **JH053**, new Varsity Zoodie (smart phone compatible) available in six stunning dual colours for only **£17.50** inc vat.

Alternatively, we have the **JH020** Street Hoodie (a heavyweight hoodie), available in fourteen colours for the same price.

This month for all orders of **£100** placed up to and including the 14th February, you will receive a free Bracken Bear with a Valentines "I love you" t-shirt.
